

Outreach-in-a-Box: Discovering IT

Acquiring a LineChaserz Car

Follow these steps to acquire a LineChaserz car for use in the NCWIT Outreach-in-a-Box: Discovering IT main learning activity.

Step 1.

Go to the DSR Marketing - Above Bored Web site www.aboveboredtoysandgifts.com. Under the left column marked Category, select LineChaserz. This will take you to a selection of individual LineChaserz cars and multi-packs of cars. Please add any single car to your “shopping cart” and proceed to checkout. Note: You will likely receive a different car than the one selected (this is a condition of the bulk discount sale to NCWIT). For example, if you order the jungle truck you may receive the racecar. All function the same way.

Step 2.

Register as a new customer. When you register please include your institution or company name where it says “company” and include contact email NCWIT can use to reach you for possible follow up. Supply your home address for shipping if you wish to avoid campus or interoffice mail.

Step 3.

Proceed to the shipping page. Select Expedited Shipping. You will receive the LineChaserz car within 2-4 business days.

Step 4.

Proceed to payment page. In the “Gift Voucher/Discount” Coupon field type the coupon code NCWIT3317 and click “redeem”.

Step 5.

Click on Confirm Order to complete the transaction.

Note: The coupon code expires after a single use. If you wish to order another car or additional items, return to shopping and use another form of payment.
